Get a glimpse of unique Agile Mont Kiara project at showcase

KUCHING: Agile PJD Development will be holding an exclusive property showcase event to introduce Agile Mont Kiara's unique features, excellent location and great investment value to discerning real estate investors in Sabah.

The event will take place at Shangri-La's Tanjung Aru Resort & Spa, Kinabalu Room One and Two in Kota Kinabalu from Nov 21 to 25, 9am to 5pm.

Agile Property Holdings Limited, one of China's leading property developers launched its maiden

project at Mont Kiara on Sept 8.

Through its local subsidiary Agile Real Estate, it is developing Agile Mont Kiara with PJ Development Holdings Berhad in a 75:30 joint venture.

Agile Mont Kiara is located in the affluent international township of Mont Kiara, strategically located close to many amenities, including Publika - a popular upscale neighbourhood shopping mall.

It has a gross development value of RM1.4 billion and will be built on a freehold residential land area of 10.16 acres.

The entire development consists of 11 blocks of condominiums with a mixture of low rise, medium rise and high rise.

A total of 813 partially furnished units comprising of two plus one bedrooms, three bedrooms, three plus one bedrooms and two dual keys units will be offered. The expected completion date is September, 2015.

During the project's recent ground breaking ceremony, Agile Real Estate's chief executive officer Wilson Ren said in his speech that the location of Agile's

maiden project at Mont Kiara will allow the company to showcase Agile's passion not only for the development of high quality homes but also a high quality living environment.

In this respect a key feature of the development is the six acres of green, open space for residents.

The other unique features of the development are Dual Key and Dual frontage sizes ranging from 1162sq ft to 5967sq ft, low-density development and a Sky Club that overlooks the skyline of Kuala Lumpur.
