## Agile celebrates anniversary of the group's largest project Agile Hainan Clearwater Bay

**KUALALUMPUR:** Agile Property Development Ltd celebrated the 7th anniversary of its largest project, Clearwater Bay in Hainan in a grand fashion recently.

Agile Clearwater Bay is a high-end integrated project on a 12-kilometre original, ecological coastline of the Hainan province in China. The 10,000-acre project was developed by the Group in collaboration with Morgan Stanley with an investment of RMB20 billion (USD3.1 billion).

Agile Clearwater Bay demonstrates the Group's strength and credibility in delivering large-scale development of international standards.

With six international five-star resorts, Asia's largest yacht marina, an international golf course, retail malls and its stretch pristine beach, Clearwater Bay makes the perfect holiday paradise and heavenly home.

It has been an internationally sought after investment hub and tourism destination for both the Chinese locals and foreigners. The project is recognised as China Real Estate Tourism Expert.

The seventh anniversary celebration of Agile Clearwater Bay was held in congruent with The Bo'ao International Music Forum, a showcase of the rich fusion of world cultures.

The gala event was a night of wonderful sights and sounds, with performances by renowned stars and musicians.

The company also presented gifts to Top 10 Agile owners in recognition of their support.

The top brass of Agile Property Development Limited, together with invited guests of honour, mark the historic 7th anniversary with heaps of optimism in mind.

Agile Property Development Limited launched its first international venture in January 2016 - the RM1.4 billion Agile Mont Kiara development in Malaysia, in collaboration with PJ Development Holdings Berhad.

Agile Mont Kiara is a 10-acre project consisting of 11 towers, 813 residential units ranging from 1,162 sqf to 5,5037 sqf, which is scheduled for completion by

2019.

In conjunction with the Agile Clearwater Bay 7th Anniversary Carnival, an exclusive investment preview was held on 25 March at the Raffles Hotel for Hainan customers.

The Malaysia - My Second Home Programme was promoted at the event and received favourable response.

Agile Property Holdings Lim-

ited, which is listed on the Main Board of the Hong Kong Stock Exchange, has a diversified portfolio of 90 projects.

The group recently announced its achievement of accumulated sales of turnover of 43 billion yuan (US\$6.64 billion), and gross profit of 10 billion yuan with net profit of 2.3 billion yuan for the year 2015.
